

COMMUNITY CONNECTIONS COMMITTEE

Calling all community leaders to stand with us to address health disparities and promote health equity.

South Shore University Hospital, Pronto of Long Island and Suffolk County Economic Opportunity Council of Suffolk, Inc. has created the Community Connections Committee to bring community leaders together for 2024!

The goal of this committee is to partner to tackle health disparities by addressing the following Social Determinants of Health:

- Economic Stability
- Food
- Education
- Health Care
- Neighborhood and Physical Environment
- Social and Community Context
